

Gifting For The Future

Book now for the gift card industry event of the year – brand new venue. Extended to two days to include additional meeting space, innovation platform, workshops, spotlight stage and more.

New Sponsorship, Exhibition and Advertising packages now available online.

Conference 2018 will provide a platform to discuss the key issues affecting the sector and provide an opportunity for networking.

Gifting For The Future

Gift cards have enjoyed a significant rise in popularity over the last decade, and with continued innovation and growth forecast, this is only set to continue.

Conference 2018 will explore every aspect of the gift card industry – from gifting & loyalty, to reward & recognition. In a world where on-demand services are the norm, understanding how the industry can both complement and compete with other products and markets, while ensuring it is prepared for future innovations, is a top priority.
